Location Map
**Comprehensive Plan Guidance:**
Current land use calls for a density of 1 house per 2 acres.

**Current and Proposed Zoning:** The current zoning is AT-35 and RR-1. The proposed zoning district is RR-2 which allows a minimum lot size 2 acres and a maximum of 4.

**Extra-territorial Review/Boundary Agreement Authority:** This parcel is in Area B of the boundary agreement with the City of Verona and is inside the Extraterritorial Land Use area with the City of Fitchburg. As such, the Town/City Joint Planning Committee will need to review this application as will the City of Fitchburg.

**Surrounding Land Use and Zoning:** The surrounding land use is primarily AT-35.

**Site Features:** The parcel has one home and two sheds, and the rest of the parcel is farmland.

**Driveway Access:** The existing driveway accesses will be used for the new parcel. The applicant has submitted a driveway permit in order to access the farmland from Grandview Road just to the west of the boundary of the proposed residential lot. This permit will be reviewed once the CSM is approved.

**Staff Comments:** The CSM will need to include the location of the well and septic facilities. Staff recommends approval upon condition of the addition of the well and septic facilities to the CSM.
