The proposed option to make Sherman a one-way to accommodate increased drama traffic is ill-conceived. It endangers the numerous children, pets and even adults in an established prospering neighborhood. The likelihood that cut-through traffic will dramatically increase on Marietta is also very dangerous because of the many students of all ages that use this street to walk to and from their respective schools. My business is

the student foot-traffic first hand. The Planning
Commission should abandon this proposal and find
a more suitable alternative to maintain a
healthy, safe, attractive Verona.
