

Comments for Chapter/Topic: Transportation

- Paired One Way's would destroy the residential areas of the downtown. Pedestrians are already at a disadvantage crossing the main St. area and diverting the flow of traffic thru residential areas would cause additional problems. We moved in an older part of Verona ~~Verona~~ (Jefferson St.) and we moved here because of the quiet older neighborhood. I also commute to West Madison for work and the minor traffic

Comments for Chapter/Topic: _____

slowdown is not as major as people tend to create it as being. By merely widening Main and having no parking during Rush Hour we would elevate the minor slowdowns.
