

Comments for Chapter/Topic: Transportation Plan

I think the transportation plans are attempting to solve a problem that does not truly exist. Verona does not have a traffic congestion problem. Yes, there is ^{mildly} heavy traffic early in the day and in evening. However, this only amounts to approximately 1 1/2 hours of the entire day. Even at the busiest times it only takes 5-10 minutes to cross from one end of Verona to the other via main st. I do not see a point in spending tens of millions of dollars to
