Highly question the present economic
peril or provide funds until money
shortage, mortgages, banking housing
business show it possible.

Change or on its way. When?
Verona seems to be ahead
and more stable than the
rest of the country. Needs to
be really sold to the residences

Comments for Chapter/Topic: area of future growth

Political climate nationally
changed drastically in the last few
days. This has an effect
on local development.

There is a question on how
older citizens want to keep city or
is versus what will help develop
the city plan is good improvement but
