5. Comments, suggestions, feedback on a draft chapter, or other input:

(Note: If you are commenting on a specific draft chapter—please reference the date of the draft chapter and please be as specific as possible by providing page numbers, table numbers, or other specific references from the draft chapter to help us incorporate your suggestions/ideas.)

1. One of your map is drawn incorrectly because you don't seem to know which way is north?!?!?! (signalized intersection alternative)

2. North Schuman street has many families with small kids who don't need their nice little starter homes become akin to living on East Gorham on campus in madison, an insult to the working class to promise (and never deliver) a rush hour free Verona.

Please use the reverse side of this page for any additional comments.

THANK YOU FOR YOUR INPUT!!
