Notice: If need an interpreter, materials in alternative formats, or other accommodation to access the meeting, please contact the City Clerk at 845-6495 at least 48-hours preceding the meeting. Every reasonable effort will be made to accommodate your request.

Notice is hereby given that a majority of the City Council may be present at the meeting of the Plan Commission to gather information about a subject over which they have decision-making responsibility.

This constitutes a meeting of the City Council pursuant to the State ex rel. Badke v. Greendale Village Board, 173Wis. 2d 553, 494 N.W. 2d 408 (1993) and must be noticed as such, although the City Council will not take any formal action at this meeting.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (13.5% of the population).

There are a number of reasons for this increase. The first is that the life expectancy of people in the UK has increased. The average life expectancy at birth in the UK is now 77 years for men and 81 years for women. This is an increase of 12 years since 1950.
