* The following report contains offenses that are attempted and offenses that not tracked by the State of Wisconsin to allow the most accurate allocation of police resources. These offenses are being constantly investigated and are subject to change as more accurate information is gathered. October 2020 there was a switch from report to UCR to IBRS. This had many changes to the offense category. Assault-Sex is now broken down into more specific categories such as: Sex-Exposure, Sex-Fondling, Sex-Statutory, etc. Robbery is no longer broken out and is now just robbery. Abduction was also added in October 2020 and is the most serious of all offenses. The FBI description is "The unlawful seizure, transportation, and/or detention of a person against their will". This will include domestic violence incidents where a subject was detained against their will and not free to leave. 0's may appear prior or post to October 2020 if that category was utilized.
